SEPTIC TANK APPROVAL

Approval Number: **ILL # 164**

July 26, 2024

Dave Simon
Valencia Pipe Company
28305 Livingston Ave.
Valencia, CA 91355

Dear Dave Simon:

In accordance with Section 905.40 of the Private Sewage Disposal Licensing Act and Code, and based upon review of the plans and information submitted to this office for the following septic tanks, the Illinois Department of Public Health hereby issues approval for the following Valencia Pipe Company septic tank:

1,000 single compartment
1,000 two compartment
1,500 single compartment
1,500 two compartment

Septic tanks manufactured by Valencia Pipe Company are subject to the following conditions:

1. The septic tank approval number **#164** with the prefix "ILL" and the internal liquid capacity (number of gallons) shall be placed on the tank above, or next to, the outlet pipe so that this information is readily visible after installation and prior to covering.
2. As stated in your correspondence the outlet baffle shall be extend with the 18 inch extensions to achieve the 40% below the water level.
3. There shall be no deviations from the plans and specifications submitted for approval unless revised and specifications therefore shall first have been submitted to the Illinois Department of Public Health and a supplemental approval issued, therefore.

4. The Illinois Department of Public Health, in issuing this approval, has relied upon statement representations made by the applicant in the application therefore; and in case any statement or representation in said application is found to be incorrect, this, thereupon, waives all further rights there under.
5. This approval does not relieve the applicant or his authorized representative from securing or complying with any municipal or county zoning or other ordinances applicable thereto.
6. Approval of this unit by the Illinois Department of Public Health is limited to design and is in no way intended to guarantee the proper function of the unit.

The Illinois Department of Public Health approval number shall not be used on any other tank other than the septic tanks for which it has been issued.

Valencia Pipe Company shall be responsible for maintaining a record of all septic tanks sold in Illinois as described in the Private Sewage Disposal Code, Section 905.40 a) 3).
